CUSTOM CUT FOAM AND FITTING

Standard foams can often be cut to fit boxes and models of different dimensions. Generally the custom cutting charge is \$5 for HO models and \$10 for O models. Charges for more complex fitting may be higher at the discretion of REBOXX.

FOAM FOR ORIGINAL FREIGHT CAR KIT BOXES

Each set consists of a center insert, either box car cut or all grid, and one or two pads. Both the center inserts and the pads have tear offs for different box dimensions. The box car insert will accommodate 40' to 57' cars. The all grid (KITBOX-UV-F) will accommodate, in addition to box cars, flat and tank cars, etc. Available in 12 packs retail only. The foam will fit freight car boxes listed below:
